

Bank Signature Card

Any applicant firm seeking certification with Cook County Office of Contract Compliance must submit a copy of the firm's bank signature card. This documentation is issued by the actual bank institution. Additionally, this documentation names all individuals that have authority to utilize funds and make banking decisions on the business bank account.

If the business has other documents that show how spending authority is delegated, those documents are also required.

If you have any questions, please feel free to call us at 312-603-5502.
