

Contract – Purchase Order – Invoice

Any applicant firm seeking certification with Cook County Office of Contract Compliance must submit copies of three (3) fully executed and currently dated contracts (including full scope of work); purchase orders; and/or invoices. The full scope of work performed must be included on the documentation provided.

These documents are required to confirm that the business has experience providing the goods or services under the NAICS code for which the business is seeking certification.

Example:

A firm seeking certification for residential remodeling (NAICS: 236118) must submit a copy of a fully executed and currently dated contract demonstrating that the business has engaged in residential remodeling. A full scope of work must be included in the contract documentation.
