TEMPLATE FOLDER — HOW TO USE

=====

1. COPY this _TEMPLATE_New_Job folder
2. RENAME it to your job (e.g., "Johnson_Residence_2026")
3. FILL the folders as work happens:

01_Contracts → Signed agreements, scope docs
02_Photos_Before → Initial walkthrough photos
03_Estimates_Bids → Quotes sent to customer
04_Permits → City permits, inspections
05_Material_Lists → Parts ordered, vendor lists
06_Invoices → Bill customer, payment records
07_Photos_After → Final walkthrough photos
08_Work_Summary → Notes, issues, callback info
4. WHEN JOB IS DONE → Move entire folder to 2-Projects/Archived/
